

TI-NatSurf® BW

TI-NatSurf® BW is a naturally derived, highly functional, cleansing complex designed to deliver ultra-rich, sulphate free, creamy foaming properties for face, shampoos and elegant body wash products. This naturally derived cleansing complex can be utilized as a primary or secondary complex that will leave a soft feel on the skin, while meeting the demands of today's natural cleansing applications.

TI-NatSurf® BW is ideal for natural based sulphate-free cleansing applications.
